Targus

THD002EU | Targus VuComplete™ Cover for iPad® 2

The Targus Vucomplete for iPad 2 is the perfect complement to Apple's Smart Cover. While the Smart Cover protects the iPad 2 screen, the Vucomplete form-fitting cover snaps onto the back of the iPad 2, protecting it against bumps and scratches.

Specifically designed to work in conjunction with the Smart Cover, the clear Vucomplete back-cover provides an attractive finish and a comfortable grip, keeping the back of the iPad 2 protected and scratch-free.

Compatibility - Designed to work with the iPad 2

Functionality and Design - Protects the back of the iPad 2 and works in conjunction with the Apple® Smart Cover
